ARTICLE I: PROFESSIONAL NEGOTIATIONS AGREEMENT

**PROCEDURAL AGREEMENT FOR BARGAINING
BETWEEN**

**PUTNAM CITY BOARD OF EDUCATION
INDEPENDENT SCHOOL DISTRICT NO. 1**

AND

**PUTNAM CITY ASSOCIATION OF CLASSROOM TEACHERS
OKLAHOMA EDUCATION ASSOCIATION
NATIONAL EDUCATION ASSOCIATION**

SECTION 1: Recognition

- A. This Agreement is made and entered into by and between the Putnam City Association of Classroom Teachers, (“Association”) and the Board of Education of the Putnam City Public Schools (“Board”).
- B. The Board hereby recognizes the Association as the exclusive negotiations representative for all employees who are required by the position in which they are employed to be licensed or certified as teachers as these terms are defined in 70 O.S. § 1-116 and who do not hold supervisory authority with respect to other teachers in the district, hereby referred to as “Teachers.”

SECTION 2: Individual Rights

- A. All regularly employed teachers under regular contract have the right to join, participate in, and assist the Association, and the right to refrain from such activities. The Board and the Association shall not discriminate against any person regardless of membership or non-membership in any teacher organization.
- B. Any teacher who desires not to be represented by the Association may so state in writing to the Board. The Board may not grant greater or lesser salary and/or benefits to Teachers who choose not to be represented by the Association.

SECTION 3: Scope of Bargaining

- A. The scope of bargaining shall be limited to negotiating in good faith on wages, hours, fringe benefits and other terms and conditions of employment. To negotiate in good faith shall mean both parties must be willing to consider proposals in an effort to find mutually satisfactory basis for agreement and must be willing to discuss their respective contract proposals. If either party objects to the other's contract proposals, the objecting party must support its objections with rationale. There shall be no negotiations on inherent managerial policy, including but not limited to: the functions and programs of the Board, standards of services, the

Board's budget, class size, the organizational structure of the schools, and the selection of personnel. The Board and the Association shall abide by all applicable state and federal statutes, rules and regulations. No agreement shall abrogate the legal rights, obligations and powers of the Board, including its power to make policy.

- B. The Board retains and reserves unto itself, without limitations, all powers, rights and authority conferred upon and vested in it by state and federal law, including the right to make policy, rules and regulations which are not inconsistent with the Negotiated Agreement.

SECTION 4: Negotiations Procedures

- A. No more than six (6) designated representatives of the Board will meet with no more than six (6) designated representatives of the Association for the purposes of negotiations. All negotiations shall take place exclusively between the designated representatives of the parties. Only those members who comprise the negotiation teams will be present in the room during negotiations. Either party may bring a consultant to the room if both parties agree. Other parties may be permitted to be present only by mutual agreement of the parties.
- B. No later than January 31st of each ensuing year, either the Association or the Board shall submit a written request for negotiations to commence to the other party, if it desires there to be negotiations for that year. If no such request is made during the time period above, negotiations will not take place for the ensuing year.
- C. The Board and the Association shall meet in person to find mutually agreeable dates and times for negotiations. If formal negotiations meetings are held during the contract days, the negotiators shall be released from their regular duties without loss of pay.
- D. The Board and the Association shall share their initial written language concerns at least one month prior to the scheduled negotiations. Each party shall provide upon request available information regarding negotiations.
- E. A quorum shall exist when there are four (4) members of each team present.
- F. Negotiations shall be conducted in closed sessions. No recordings or official transcripts shall be made without mutual agreement of the parties.
- G. Negotiations will only be conducted between the designated parties and only in regular negotiations sessions at the time, date, and places mutually agreed upon by the parties.

- H. Releases to the news media will be by mutual agreement only.
- I. When a tentative agreement is reached on any one item, it shall be reduced to writing, signed, and dated by a representative of each party. When a tentative agreement is reached on all items, they shall be submitted first as a package by the Association to the bargaining unit for ratification and then by the Superintendent to the Board for ratification.

SECTION 5: Impasse

- A. The impasse procedure shall be in accordance with applicable mandatory state statutes. The following is a statement of the provisions of state statutes applicable to the impasse procedure in effect at the time of this agreement's acceptance by the parties. In the event these statutory provisions are amended or repealed, the resulting mandatory language contained in the statute for resolving impasses shall be substituted. Time limits set forth herein may be extended by mutual agreement of the parties.
- B. If negotiations are not successfully concluded by the first day that school shall actually be in session and instruction offered, impasse shall exist. At any earlier time, either party may declare impasse. Upon reaching impasse, the items at impasse shall be referred to mediation. The parties shall request the services of the Federal Mediation and Conciliation Service (FMCS). If the mediation process fails to resolve all issues, the parties may proceed to fact finding. If there are no agreements after ten (10) working days have elapsed following the first mediation session, either party may call for the implementation of fact finding. If fact finding occurs, it shall be referred to a three-member (3) committee. This committee shall consist of:
 - 1. One member who shall be selected by the representative of the Association within five (5) calendar days after the reaching of impasse.
 - 2. One member who shall be selected by the Board within five (5) calendar days after the reaching of impasse; and
 - 3. One member who shall serve as chairperson of the committee shall be selected within fifteen (15) days after receiving a list of five (5) potential fact-finders from the State Superintendent or designee. The Declaration of Impasse shall be in the form of a letter sent by certified mail to the State Superintendent, signed by the local district Superintendent and a representative from the bargaining organization. Mailing addresses for both parties shall be included. The list of five (5) names, selected at random, will be provided within ten (10) days of being notified that a fact-finder is needed.

- C. Within five (5) days after the selection of the chairperson, the representatives who have been negotiating for the Board and for the Association shall meet to exchange written language on each item at impasse. The exchanged documents shall also be furnished by each party to the chairperson and other members of the committee.
- D. The chairperson shall convene the committee for fact-finding. This committee shall meet with the representatives of both parties. Within twenty (20) days after the chairperson is selected, the committee shall present written recommendations to the Board and to the Association.
- E. If either party decides it must reject one or more of the committee's recommendations, said party must, within seven (7) days after the committee has presented its recommendations, request a meeting of the representatives who have been negotiating for the Board and the Association. The parties shall meet within seven (7) days of the request unless both parties deem it unnecessary. At such meeting, the representatives shall exchange written statements expressing each party's rationale for rejecting each recommendation found unacceptable and shall attempt to clarify any remaining differences. The representatives shall then resume good faith effort to resolve the remaining differences; provided, after fourteen (14) days after the exchange of the written statements, either party may discontinue such effort.
- F. The Board shall file a copy of the fact-finding report with the office of the State Superintendent of Public Instruction. If the effort to resolve differences is successful, the parties shall draft a written agreement and present the agreement to both parties for ratification, and such agreement shall also be forwarded to the State Superintendent of Public Instruction. If the effort to resolve differences is unsuccessful, the Board shall forward to the State Superintendent of Public Instruction in writing its final disposition of the negotiations impasse process within thirty (30) days of the effective date of implementation.
- G. Each party shall pay its own expense in resolving impasses. The costs for the services of the committee chairperson, including per diem expenses, if any, and actual necessary travel expenses, shall be shared equally by the Board and the Association.

SECTION 6: No Strike Pledge

- A. It shall be illegal for the professional organization to strike or threaten to strike as a means of resolving differences with the Board. Any teacher engaging in a strike shall be denied the full amount of his/her wages during the period of such violation.

SECTION 7: Severability

- A. If any provision of this Agreement is found to be contrary to law, that provision shall be severed from this Agreement, and all other provisions of the Agreement shall remain in full force and effect. The Board and the Association may, by mutual agreement, decide to commence negotiations within thirty (30) days to replace the severed part. If such negotiations are not commenced, either the Board or the Association may propose a replacement for the severed part at the next annual negotiations, as provided in the Procedural Agreement.

SECTION 8: Duration of Agreement

- A. This Agreement shall be in full force and effect upon ratification and signing by authorized representatives of the parties, and shall continue in effect for successive fiscal year periods of July 1 through June 30, unless notice is given, in writing, between January 1 and January 31 of any year by either party, that the party desires to modify, amend or terminate this Agreement. Once such notice is given, negotiations related to changes in this Agreement shall commence on a mutually agreeable date within fifteen (15) days of such notice.
- B. This Agreement shall be null and void if the Association ceases to exist or ceases to be the legally recognized bargaining agent for the employees defined herein. (2025)

SECTION 1: Definitions

- A. “grievance” shall be defined as an inequitable application, misrepresentation, or other violations of the items within the negotiated agreement. (1983)
- B. The term “grievant” or “aggrieved person” shall refer to the person or persons making a claim.

- C. A “party in interest” is any person who might be required to take action, or the person or persons against whom action might be taken to resolve the claim.

SECTION 2: Purpose

The primary purpose of this procedure is to secure, at the lowest level possible, equitable solutions to a claim of the aggrieved person. No written record of a grievance shall be kept if it does not go beyond the informal process. (1993)

SECTION 5: Formal Procedure

- A. Step One – If the grievance is not resolved in the informal process, the grievant must present the grievance in writing within five (5) days to the administrator who will arrange a meeting within five (5) days. The grievant may request a hearing or a paper review. If a paper review is requested, the grievant, or the Association, and the Superintendent, or designee, shall have the opportunity to provide additional documentation to the Board for review. The Board shall communicate its decision in writing with supporting reasons within thirty (30) days of receipt of the appeal. (2002)

ARTICLE III: PERSONNEL PROCEDURES

SECTION 1: Personnel Policies

- A. If a conflict in personnel policies should arise, Oklahoma State Law takes precedence over the negotiated agreement and the negotiated agreement takes precedence over Board Policy. (1996)

- B. The Association President shall be emailed copies of any proposed policies and/or regulations at the same time they are distributed to Board members. (1984, 2025)

(1998, 2026)

SECTION 3: Administrative Appeal Procedure

- 1. An “Administrative Appeal” shall be defined as any concern that is not a grievance under the terms of the negotiated agreement. This shall serve as an appeal of an administrative decision that affects one’s contract of employment. (2023)
- 2. Teachers are advised of their right to appeal administrative decisions which affect their contract of employment. As per the contract of employment, assignments, duties, and responsibilities are not appealable. An informal attempt shall be made to resolve the concern. If the concern is not resolved, a written appeal shall

be made through the chain of command as follows: (1) Principal; (2) Chief Elementary or Secondary Officer; (3) Chief Officer of Human Capital; (4) Superintendent.

- B. Complaints received or made during the last five (5) days of the year shall be brought to the attention of the teacher prior to the teacher's departure for summer vacation.
- C. Complaints received after the teacher's departure for summer vacations shall be brought to the attention of the teacher within fourteen (14) calendar days of making contact with the teacher, but no later than the first day of student instruction of the following school year.
- D. Any complaint not brought to the teacher's attention within the established timeline may not be used in subsequent recorded disciplinary action or on a teacher's evaluation. (2004, 2018)

- B. Except for pre-employment references, all materials placed in the teacher's file must be signed and dated by the writer. A true copy of such material shall be presented to the teacher who shall acknowledge receipt by his/her signature on the file copy or by electronic signature. Within two (2) weeks of receipt the teacher may respond, and said response shall be made part of the record. (2012)

When any of the material mentioned above, with the exception of materials relating to alleged sexual misconduct, is five (5) years old, upon request of said teacher the material shall be removed and destroyed in his/her presence. Teacher evaluations must be kept for five (5) years. (2005, 2011, 2015, 2023)

- B. Teachers will be notified by the first Monday in June if they are not being rehired for the following school year. Teachers who do not desire to be reemployed by the district for the ensuing school year will notify administration/the district by the fifteenth day after the first Monday in June. (2023)

SECTION 7: Teacher Reassignments / Transfers

A. Teacher Initiated Reassignments / Transfers

A teacher seeking a reassignment / transfer to a position in a different subject area, grade level, student performance level, or building shall file a written application. (2002)

1. A Teacher may make a written request to the site administrator for a reassignment within the building. (2002, 2012)
2. All positions held by teachers on a temporary contract shall be declared vacant for the following school year. A list of vacancies shall be maintained on the district website. (2014)
3. A teacher may request a transfer to another building by completing an online internal application through the District website. (2012, 2017)

All teachers requesting a transfer may contact the site(s) administrator(s) to request a teacher/administrator meeting. District teachers shall be considered prior to outside candidates for appropriate vacancies. Teachers interviewed and not granted transfers shall be notified when the position is filled. (2005, 2006, 2009, 2012)

B. Administrative Directed Transfer/Assignment

1. The Administration may assign a teacher to any position for which he/she is certified and/or highly qualified. When a reassignment occurs an explanation/rationale shall be provided. (2002, 2007, 2009)
2. Should it become necessary to transfer a teacher from one school to another due to a decrease or increase in enrollment, a voluntary transfer will be solicited before resorting to an involuntary transfer. If there is not a volunteer, the teacher with the least number of years as a teacher at that school will be the one transferred subject to teacher's certification and/or needs of the district. The Chief Officer of Human Capital shall notify a person being administratively transferred. Any teacher affected by a transfer shall be given ten (10) working days notice whenever possible. (2000, 2009, 2016, 2021, 2026)
3. Should it become necessary to transfer a teacher from one school to another due to budgetary considerations, a voluntary transfer will be solicited before resorting to involuntary transfer. The teacher being reassigned will have the opportunity to select an

assignment from positions available in the district for which the teacher is certified and/or highly qualified. (2002, 2009)

SECTION 8: Reduction in Force

The primary standard in implementing any reduction in force shall be the maintenance of a sound and balanced educational program that is consistent with the functions and responsibilities of the District. In deciding which positions to eliminate, the superintendent and the board will consider the curriculum, instructional focus and the multi-dimensional needs of students. The board shall follow the procedure listed below:

- A. Normal attrition throughout the District. In the event that a teacher's position has been shown to be in excess, said teacher shall be transferred to a vacant position within the school system for which he/she is certified. Normal attrition shall include retirements, resignations, and those on temporary contracts. (2026)
- B. If normal attrition does not sufficiently reduce the certified staff, the average of the last three (3) TLE scores shall be the primary consideration in the reduction process. If the TLE scores are the same, the following items shall be considered in the reduction process in the order they are listed:
 1. Probationary teachers shall be released before career teachers who are legally qualified to hold positions currently held by probationary teachers.
 2. Seniority in the District; as a certified teacher established from the first reporting date to work, with continuous service from that date. (2026)
 3. Total number of years teaching experience; and
 4. Academic and professional preparation beyond minimum certification requirements.
- C. Any Teacher affected by a proposed layoff shall have the right to a hearing before the Board prior to a reduction in force. (1994)
- D. When a program is cut due to budgetary constraints and the program is then reinstated within one year, the affected teacher(s) shall have right of first refusal. (2004)
- E. Recall shall be in the inverse order of reduction in force. A teacher who is released shall remain on the recall list for one (1) year after the effective

date of release unless the teacher waives the recall right in writing, resigns, or fails to accept recall to a position for which he/she is qualified. (1986, 2021)

- F. Teachers who are released under the provisions of Layoff and Recall shall:
 - a. If probationary – have previously accrued sick leave restored if recalled within the year.
 - b. If career – have the option of being paid for accrued sick leave, if eligible, under the provisions of Article V, Section 2 when released or having accrued sick leave restored if recalled within the year. (1990)
- G. Communication will be frequent and ongoing between the Superintendent, or designee, and the Association during the layoff process.

SECTION 9: Teacher Evaluation

- A. The Board policy on evaluation of teachers and all amendments thereto shall be promptly made available to all teachers. (1985)
- B. The Board and Association recognize the importance and value of developing a procedure for assisting and evaluating the progress and success of teachers. Therefore, to this end the following procedures shall be adhered to:
 - 1. The principal, or other administrator designated by the Superintendent in charge of teacher supervision, shall be responsible for administration of the procedure for evaluating the teacher's performance.
 - 2. All teachers shall be evaluated by certified administrative personnel designated by the Board and trained on the OK TLE. (1985, 2009, 2012, 2021)
 - 3. The designated administrator shall acquaint all teachers under his/her supervision with the evaluation procedures during the first six weeks of employment and advise the teachers as to whom shall observe and evaluate their teaching performance. (1985)
 - 4. All evaluations will be maintained and available electronically. Evaluation responses, electronically or handwritten, shall be submitted to the Human Resource office and maintained in the teacher's personnel file. (1985, 2012, 2014, 2015)

 6. Career teachers receiving a district evaluation of “superior” or “highly effective” under the OK TLE may be evaluated once every three (3) years. Principals have the option of completing a formal evaluation if there is evidence of concern from prior year observation or during informal or walkthrough observations. (2021)
- C. A Professional Learning Focus (PL Focus) is required every year regardless of exemption status. (2021)

SECTION 10: Teacher Protection

- A. The Board and Administration shall be vigilant to protect teachers from assault, threats of physical harm, and/or violent or threatening situations for reasons connected with their assignment. When an administrator becomes aware that a teacher has been threatened with harm, he/she will notify that teacher, take reasonable measures as deemed appropriate to protect the teacher and, if necessary, invoke the provisions of law. (1993, 2022, 2026)
- B. After a teacher has been threatened with harm or assaulted, administration will have a debriefing with the teacher within two (2) school days, and the teacher will be notified if and when the person who committed the threat or assault returns to the building. A student who has been suspended for a violent offense which is directed towards a classroom teacher will not be allowed to return to that teacher’s classroom without the approval of that teacher. (2001, 2012, 2022, 2025)
- C. After a violent or threatening situation, as defined in the site Code of Conduct, excluding threats and assaults to teachers, an administrator will make reasonable efforts to have a two-way communication check in with the teacher. (2026)
- D. When a teacher is absent because of injuries sustained in the performance of duty from an assault or from stopping/attempting to stop a fight, the teacher shall be paid in full for such time lost. Such absences shall not be charged to sick leave benefits and will count as active days for experience purposes. He/she will be reinstated during the current school year when medically able to return. If the teacher is not able to return during the current contract year, he/she may return at the beginning of the next ensuing school year if medically able. (1996, 2008, 2022, 2023)

- E. Teachers should not be subjected to continued threats or harassment from parents/guardians. When a teacher feels that harassment has occurred, they shall report it to Administration. Upon investigation, if the claims have been substantiated, the Administration/District shall take steps to block communication via District sanctioned platforms from the parent/guardian directly to the teacher. (2024)

SECTION 11: Employment of Substitute Teachers

When teachers, nurses, and librarians are absent, where payment of substitute is authorized, substitutes will be employed when qualified replacements are available. Absences of convenience or to facilitate school-sponsored programs are internal problems to be solved by the principal and staff. (1988, 2010)

SECTION 12: Teacher Signing In and Out at Schools
